

EVENING BUFFET

At Stracta Hotel, groups are invited to enjoy an evening buffet.

The buffet is served in our upstairs restaurant, Garður, which offers a picturesque mountain view. The restaurant offers several healthy options for our guests to enjoy, made from scratch with produce from the nearby vicinity, whenever possible.

The buffet has a number of starters, main courses and desserts.

Freshly baked bread, choice of soups, salads, vegan and vegetarian dishes. The buffet also includes meat and fish dishes of the day and a varied selection of accompanying side dishes.

For dessert there is a selection of cakes, fresh fruits and other sweet dishes.
